

# Edge Clip Tie

- Pre-assembled 2-piece Nylon cable tie with Edge Clip
- Cable tie head can be moved after bundling
- For edges of 1 to 3 mm

These Cable Tie and Edge Clip assemblies are ideal when fixing holes are unacceptable, or where due to extreme temperatures adhesives may fail.

They are widely used for fixing and bundling cables, pipes and hoses within the automotive industry, harness making, panel building and on solar panel installations.

## Technical information

- Material: Impact Resistant UV Stabilised Polyamide 6.6
- Operation Temperature  
-40°C to +115°C (-40°F to +239°F)
