

Product Technical Data Sheet:

SPIRAL WRAP.

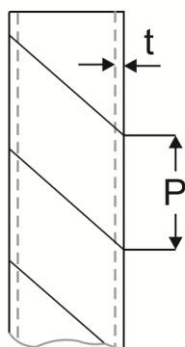

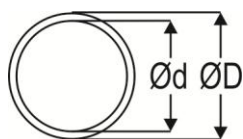

Description

An economical way of binding cables together. Easily applied to cable harness or wire bundles, simply cut to size and wrap around cables. Flexible construction enables band to follow cable contours with a wide wrapping range. Durable, re-useable with retained spiral strength.

Specification

Material: LDPE (Low Density Polyethylene)
Standard Colours: Black and Natural.
Working Temperature: -20°C to + 70°C.

| Partex Part Number | Width P (mm) | Nominal | | Wrapping Range (mm) |
|--------------------|--------------|---------|--------|---------------------|
| | | D (mm) | d (mm) | |
| SW6 | 7.0 | 6.2 | 4.1 | 4-25 |
| SW8 | 10.8 | 8.0 | 6.0 | 6-30 |
| SW10 | 11.4 | 10.0 | 7.5 | 7.5-30 |
| SW12 | 13.9 | 12.0 | 9.0 | 9-32 |
| SW15 | 15.0 | 15.0 | 12.0 | 12-35 |
| SW19 | 18.2 | 19.0 | 15.0 | 15-50 |

Please add suffix to part number N = Natural, B = Black.

Supplied in 10 metre packs.
