

Product Technical Data Sheet - **HG2-KIT** Hot Air Gun

A high quality ergonomic hot air gun ideal for use with Partex's range of heat shrink butts and tubing.

The durable electronic motor has two power and air-flow settings and is suitable for continuous commercial use.

The robust impact resistant plastic body is shaped to allow the tool to be used in a freestanding upright position.

Supplied with an accessory kit containing a selection of shaped nozzles and a paint scraper.
